## Insurance, Co-pay and Collection Authorization and Assignment

Co-payments are due at the time of service. A $10 billing fee will be applied to all uncollected co-pays. To avoid late payment fees and/or finance charges, all unpaid balances must be paid within 30 days. If your account is sent to collections you will be responsible for any additional fees.

I hereby authorize release of information necessary to file a claim with my insurance company and assign benefits otherwise payable to me, to the Doctor, or group indicated on the claim. I understand I am financially responsible for any balance not covered by my insurance.

## NO SHOW, LATE CANCELLATION POLICY AGREEMENT

We at the Family Foot Clinic, Inc. are committed to providing excellent medical care and effectively utilizing physician and staff resources. As a courtesy we do our best to call you prior to your appointment, however there is no guarantee that we will be able to reach you and this is not an acceptable reason for a late cancellation or missed appointment. A late cancellation is any appointment that is canceled less than 24 hours in advance.

It is with great regret that we have found it necessary to institute a fee for missed appointments and/or late cancellations. A fee of $99.00 may be assessed for each missed appointment or late cancellation. This fee is not covered by insurance and will be your responsibility. This fee may change without further notification. All no show/late fees must be paid in full before we will continue with your care.

We realize that unavoidable situations occasionally arise that may make it impossible to keep your appointment. When these rare situations arise, we ask that you give us as much notice as possible so that we may accommodate another patient.
